We look forward to seeing you all at the show!

Join Kim Wasielewski of Angel Inspirations and Angelic Kreations at the Holistic Health and Healing Expo on ***October 21 and 22 2017*** (11-6 both days). Kim has had the gift of seeing and speaking with the angels since she was a young girl and has increased her skills by completing the Angel Therapy Practitioner® Certification Course with Dr. Doreen Virtue (HEALING WITH THE ANGELS) where she was also on staff as the yoga teacher.

The angels guided Kim to create jewelry using semi precious stones for their healing qualities. Each piece is made with the finest stones, Swarovski crystals and sterling silver. This unique jewelry is infused with Reiki energy for healing and blessings and each piece is assigned a special angel for the wearer.

One minute \$1 angel readings will also be available.

*Kim will be presenting both days (times to be determined)*
